Congratulations to all exhibitors who were able to bring blooms for our show after such a wet, cool and stormy summer. Your efforts were very much appreciated by all. Thanks to all our judges and clerks. Without you, there is no successful show. For next year, the biggest change will be our venue - we’ll be back at the RBG. Expect some changes for the schedule but not enough to get up-set about. I hope!!! Back after several years absence, the Design Section was well received thanks to efforts of Rosemary Dobson and Wendy Downing. Rosemary has already reported to me that the designers who attended are eager to enter the Decorative Section for 2010.

It’s lookin’ good already.
